

END USER LICENSE AGREEMENT

The following End User License Agreement ("Agreement") is included with your purchase of any Hollywood Audio Design product, including but not limited to audio samples, loops, one-shots, phrases, multisamples, tracks, sound effects, Kontakt instruments, presets, patches, or any other audio or related content (collectively referred to as the "Product").

This license is granted only to the individual who has purchased a new, lawful copy of the Product directly from Hollywood Audio Design or from an authorized dealer or distributor.

LICENSE GRANT

The Product is licensed, not sold, to you. Hollywood Audio Design grants you a non-exclusive, non-transferable license to use the Product solely for the purpose of creating original musical works and audiovisual productions.

All samples, loops, audio content, Kontakt instruments, presets, patches, and associated materials remain the sole property and copyright of Hollywood Audio Design.

PERMITTED USES

You may use the Product to create original derivative musical works, including but not limited to:

- Commercial music releases
- Film, television, and trailer music
- Video game soundtracks
- Advertising and promotional productions
- Podcasts and online media
- YouTube videos and social media content
- Live performances
- Any other original musical or audiovisual production

The licensed content must be incorporated into a new original composition or production created by the licensed end user.

RESTRICTIONS

You may not:

- Resell, sublicense, rent, lease, loan, gift, share, or otherwise distribute the Product or any portion thereof.
- Redistribute the original samples, loops, one-shots, phrases, multisamples, Kontakt instruments, presets, patches, or audio files in any format.
- Use the Product to create another sample library, virtual instrument, sound pack, preset collection, or any competing audio product.
- Make the Product available for download, extraction, or use by any third party.
- Claim ownership of the original samples or redistribute them as standalone audio files.

The licensed audio may not be used in isolation as standalone content. It must form part of a new derivative musical work or audiovisual production created by the licensed end user.

CONTENT IDENTIFICATION SERVICES

The original samples, loops, phrases, one-shots, multisamples, Kontakt instruments, presets, patches, and other source audio contained within this Product may not be registered in a manner that creates ownership claims over the original library content or interferes with the legitimate use of the Product by other licensed users. This includes, but is not limited to, YouTube Content ID or any other automated audio fingerprinting, digital rights management, or content identification service.

OWNERSHIP

Hollywood Audio Design retains all ownership, copyright, title, and intellectual property rights to the Product and all included content. This Agreement grants only a license to use the Product under the terms described herein. No ownership rights are transferred to the purchaser.

TERMINATION

This license shall automatically terminate if any provision of this Agreement is violated. Upon termination, you must immediately cease all use of the Product and destroy all copies in your possession.

ACCEPTANCE

By installing, copying, downloading, or otherwise using this Product, you acknowledge that you have read, understood, and agree to be bound by the terms of this End User License Agreement.

Thank you for supporting independent sound design.
